Together We Power Your Future

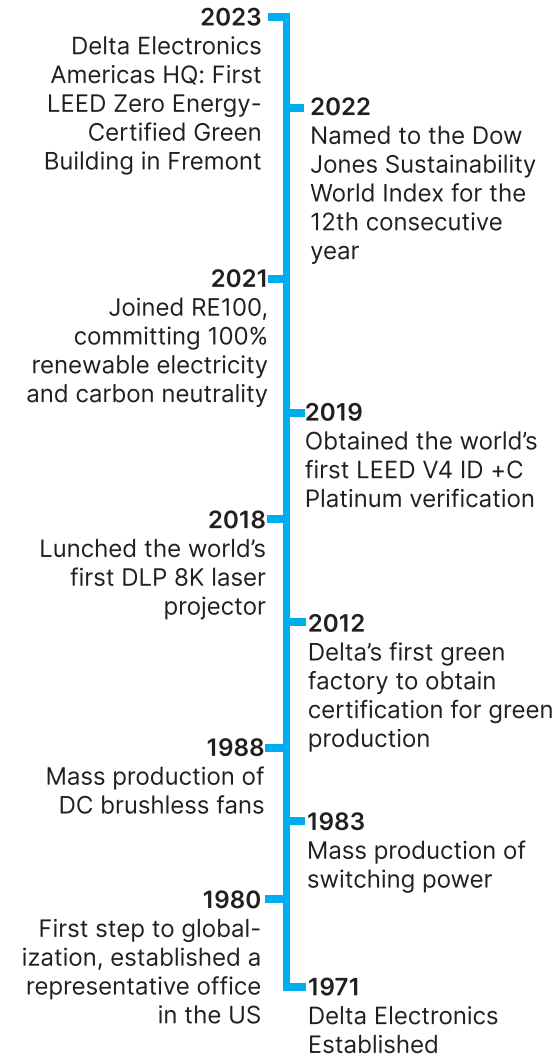

Empowering Ambitions, Nurturing Green
Innovation

Corporate Mission

To provide innovative, clean and energy efficient solutions for a better tomorrow.

About Delta

Where Your First Job Powers Your Future

Leader in Green Solution:

Launch your career at Delta and join a global front-runner in smart energy solutions, driving innovation for smart manufacturing, sustainable cities, and environmental solutions.

Impact Across Industries:

With Delta investing over 8% of its revenues into research and development, you'll have the chance to collaborate with a global network of over 10,000 R&D engineers in 73 centers worldwide. You will contribute to projects shaping energy efficiency, renewable technologies, and key sectors' future.

ESG-Driven Impact:

Delta's ESG commitment is more than words. As a newcomer, you'll join a community dedicated to creating a cleaner, energy-efficient tomorrow through innovative solutions that benefit the planet and society. Delta Americas HQs stands as a testament to our values – it's the 1st LEED Net Zero Energy green building in Fremont, CA.

Global Collaboration:

With a presence spanning five continents, Delta fosters cross-cultural collaboration. Your first job becomes a passport to a worldwide network, enriching teamwork and broadening your outlook.

Continuous Learning:

Delta values your growth. As a new member, you'll gain from ongoing learning, skill development, and mentorship opportunities, staying up-to-date with cutting-edge technologies.

"A Company with vision must leverage the trends of sustainability and energy savings to maximize company and product value and realize long-term growth"

Bruce Cheng
Founder and Honorary Chairman
Delta Group

Corporate Culture

Integrity
