

Lead Retrieval

Features

- Access customizable qualifiers, tags, and notes at no extra cost, while viewing scanned leads in real-time and downloading detailed reports directly from your exhibitor portal.
- No additional device needed—access Lead Retrieval through the conference app on your smartphone.
- **Developer Kit API is available for purchase!**

We are pleased to offer a Developer Kit API for purchase within the ASCRS 2024 Annual Scientific Meeting Exhibitor Portal.

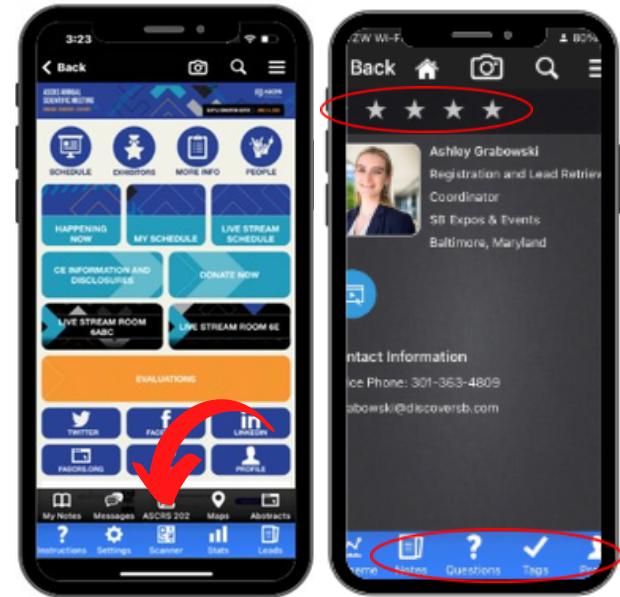

Available at a rate of \$900 through April 4, 2025

How to Order

1. Log into the ASCRS 2025 Annual Scientific Meeting Exhibitor Portal
 2. Go to the Tasks section and select "LEAD RETRIEVAL: Purchase First License".
- Follow the prompts to purchase your initial license (credit cards only)

IMPORTANT: Each Lead Retrieval user must have their own license; sharing is not allowed. After completing the "Purchase First Lead Retrieval License" task, you can access the 'Purchase Additional Licenses' task if needed.

NOTE - Use the 'LEAD RETRIEVAL: Purchase Developer Kit API task to purchase the Developer Kit API. To find out if this option is a good fit for you, contact ASCRSLeads@discoversb.com
