We’re Back... in Person!

AVA’s Annual Scientific Meeting is the premier meeting for vascular access healthcare professionals.

In 2019, AVA had a record number of in-person attendees at their annual meeting. AVA followed up in 2020 with a virtual conference. The virtual event, AVA At Your Fingertips, helped connect over 1,200 attendees—more than 400 of those attendees being first-timers.

Join us at the Gaylord Palms Resort and Convention Center from September 16-19, 2021 and showcase your innovations to the vascular access professionals that are caring for patients everyday! There will be four days of clinical, educational sessions; motivational keynote speakers; networking opportunities; and an exhibit hall.

The Association for Vascular Access (AVA) is an association of healthcare professionals founded in 1985 to promote the emerging vascular access specialty.

The mission of AVA is to lead healthcare by protecting patients and providers to improve lives. Today, it’s multidisciplinary membership advances research, professional and public education to shape practice, enhance patient outcomes, and partner with the device manufacturing community to bring about evidence-based innovations in vascular access.
What Our Attendees Are Saying ...

“This conference covered so many topics relevant to my practice."

“AVA staff and board members are warm, welcoming, and set the stage for a great learning opportunity as well as a fantastic networking adventure. This is noticed and appreciated!!”

“The exhibit hall has great resources to advance our clinical practice!”

“This was my first national conference. I was pleased to find the option of the vendors scanning our badges to provide us with further information - very technologically useful!

“Great exhibits with new technology. Loved it!”

“I truly enjoy seeing all the exhibits and being able to talk to the vendors.”

“The exhibit hall was very informative. I can’t wait for my local rep to follow up with me!”
Top 5 Reasons to Exhibit at AVA 2021

1. **ACCESS**
   Reach the vascular access professionals that want to learn about new products to enhance their patient outcomes! A complimentary post-show attendee list is given to all exhibitors.

2. **AWARENESS**
   Ensure that your company name and products are remembered by vascular access professionals by keeping your name and products in front of them at all times.

3. **EDUCATION**
   Exhibitors are full attendees. Exhibitors receive additional opportunities to interact with conference attendees through vendor access to ALL educational sessions.

4. **INSIGHT**
   Learn what new issues the vascular access clinicians are facing in the field. Discover their concerns and how you can help resolve their problems.

5. **PRACTICAL DEMONSTRATIONS**
   Give your clients and potential customers hands-on access to your current and new products and devices.

Industry Partnership

AVA believes there should be more to an industry partnership than just booth space at an annual convention. Leads are great, but our partners can rely on and measure what they get from joining forces—all year, not just once a year.

The 2021 AVA industry partnership has been designed to deliver ROI throughout the year, providing our allies in manufacturing, pharmaceuticals, infusion, home health, government, distribution, services, and design innovation opportunities ranging from promotion to customer voice product launch/retention to direct revenue.

Join Forces with AVA

Email partner@avainfo.org, and you can start designing a program that becomes an indispensable instrument to advancing, elevating, and improving your business.

AVA Strategic Partners have a specialized focus in vascular access areas, including Infusion, Collection, Diagnostics, Dressings, Imaging, Intraosseous, Infection Prevention, Patency, Patient Comfort, Securement, and Stabilization.

AVA Enterprise Partners develop, manufacture and support a comprehensive range of products and services relevant to vascular access. Enterprise Partners can depend on AVA to help them drive business and awareness at the specific SKU/brand and targeted call point level.

AVA elevates the expertise and the solution, not just your company logo. Both of our partnership programs are customized to partner needs and include:

- Novel programs to increase product compliance and utilization
- Discounted Survey Panels—voice of customer from precisely the stakeholders you’re trying to reach a fraction of the cost of boutique consultancies
- Advertising opportunities across AVA’s best-in-class communications channels
- JAVA (subscription included)
- Intravascular Quarterly—advertising and content creation
- AVA’s daily engagements across five social media channels
- Advertising and guest opportunities on the ISAVE That Podcast
- Branded scholarship administration for vascular access clinicians
- Discounted, co-branded ISAVE That Line assets and merchandise, Career Center postings, and Web site advertising
- Case Study and Product Spotlight creation and development
- AVA Academy revenue sharing opportunities
- Discounted Venture Communications services
...and as always, presence at our Annual Scientific Meeting!

Exhibitor Symposia

Exhibitor Symposia are an excellent opportunity to reach vascular access healthcare professionals with educational events in your style and format!

93% of AVA 2018 attendees found the exhibitor symposia to be valuable or very valuable.

Create your event—product demonstration, educational session, or research findings—with your selected faculty. This opportunity can support your marketing strategy by reaching a core group of attendees with a targeted message. AVA attendees are eager to attend these events and attend in large numbers.

An average of 180 clinical vascular access professionals attended each AVA 2019 symposium.

Exhibitor symposia are not part of the official AVA meeting; however, they can be scheduled during the early morning to evening hours of the AVA meeting.

Take advantage of a large number of attendees available to participate in your event!

SESSION CONTENT
The symposium can be as long or as short as you like it. You provide the educational content and speaker.

CE CREDIT
Companies are responsible for making their own C.E. provider arrangements. AVA does not provide or approve C.E. credit for any exhibitor sponsored event.

LOCATION
The symposia will be located in the convention center of the Gaylord Palms.
