

MULTIDISCIPLINARY AORTIC DISSECTION SYMPOSIUM

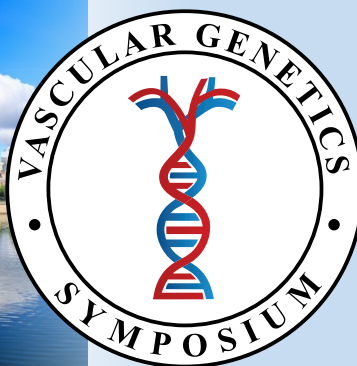

OCTOBER 4-5, 2025

VGS: OCTOBER 3, 2025

BENSON HOTEL | PORTLAND, OREGON

The MAD SYMPOSIUM is designed for clinicians and allied professionals engaged in the treatment and medical management of patients with aortic dissection. It offers a unique focus of aortic dissection in a multidisciplinary environment which includes vascular and cardiothoracic surgeons, interventional radiologists, cardiologists, and specialists in aortic genetics. Exhibitors will have opportunities to engage with the decision makers to share ideas and knowledge to improve patient and program outcomes in a very relaxed and friendly atmosphere.

The VASCULAR GENETICS SYMPOSIUM is a one-day core curriculum focused on the foundations, diagnosis and surgical management of genetic aortopathies.

Both events will be held at the elegant **Benson Hotel** in the heart of Portland, OR. Located in the vibrant heart of the city, this luxurious hotel offers a perfect blend of historic elegance and modern comfort, ensuring an exceptional environment for learning, networking, and unwinding.
