

COVERING THE LATEST CONTROVERSIES AND APPROACHES TO LIMB REVASCULARIZATION AND AMPUTATION PREVENTION

August 8-9, 2024

Philadelphia Marriott Downtown | Philadelphia, PA

The Program for Advanced Limb Preservation is a must-attend educational event for physicians and healthcare professionals devoted to the care of patients suffering from the ravages of critical limb-threatening ischemia and diabetic foot conditions. PALP offers an inclusive, balanced and provocative program covering the latest controversies and approaches to limb revascularization and amputation prevention.
