COVERING THE LATEST CONTROVERSIES AND APPROACHES TO LIMB REVASCULARIZATION AND AMPUTATION PREVENTION

PHILADELPHIA ADVANCED LIMB PRESERVATION MEETING — PALP

August 27-28, 2026

W Philadelphia Hotel
Philadelphia, PA

Join the leading innovators in amputation prevention at this year's conference—where science, technology, and patient care converge. **The Program for Advanced Limb Preservation (PALP)** brings together the brightest minds in vascular health, wound care, and medical technology.

Designed for physicians and healthcare professionals committed to saving limbs and improving lives, PALP offers a dynamic, evidence-based program that explores the latest advances and challenges in limb revascularization and diabetic foot management.

As an exhibitor or sponsor at PALP, your organization will have the unique opportunity to connect directly with key opinion leaders and have meaningful connections that will drive clinical adoption and business growth. Join us at PALP to position your company at the heart of innovation!

➔ Interested in sponsoring the **Vascular Anatomy and Skills Camp (VASC)** for physicians-in-training? Please contact Tracey Reid, CMP-HC at treid@btscme.com.
