Learner Notification

Strandness Symposium

2026 Strandness Symposium

February 22 - 25, 2026

Lihue, HI

Acknowledgement of Financial Commercial Support

Boston Scientfic WL Gore-Physician In Training WL Gore

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Strandness Symposium. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Professions in scope for this activity are listed below.

Physicians

Amedco LLC designates this live activity for a maximum of 18.25 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurse Practitioners

The American Association of Nurse Practitioners (AANP) recognizes the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) as approved accreditors and allow reciprocity for AANPCP continuing education credit. Up to 18.25 hours.

Physician Assistants

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification for PAs.

Amedco LLC designates this live activity for a maximum of 18.25 *AMA PRA Category 1 Credits™*. PAs should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Surgery (ABS) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit. Max of 18.25 CME.

You must request your certificate within 45 days of the activity to meet the deadline for submission to PARS. Credits are generally reported during the first week of each month for those who claimed during the month prior.

Objectives - After Attending This Program You Should Be Able To

1. Discuss the interpretation criteria for carotid duplex scanning, visceral vascular testing, and peripheral arterial testing.
2. Incorporate duplex scanning and ultrasound contrast into a follow-up imaging program for patients having endovascular aortic interventions (EVAR, FEVAR, and BEVAR).
3. Describe the features of normal and abnormal Doppler waveforms using the latest terminology.
4. Discuss the management of complex aortic aneurysms with open surgical repair and endovascular devices.
5. Use the latest evidence-based guidelines for management of venous thromboembolism.
6. Recognize the importance of technical protocols for venous reflux testing and testing for pelvic venous disorders.
7. Use duplex scanning for pre-dialysis access mapping, assessment of dialysis access maturation, and diagnosis of arterial steal.
8. Define the role of the vascular laboratory in the management of critical limb ischemia.
9. Discuss the optimal medical management for peripheral arterial disease.
10. Explain how to recruit and retain vascular sonographers and manage a quality improvement (QI) program in the vascular laboratory.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed below.
