

Learner Notification

Behind The Scenes
Pacific Northwest Endovascular Conference
May 23, 2024 - May 24, 2024
Seattle, WA

Acknowledgement of Financial Commercial Support

Abbott
Cook Medical
Gore

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Behind The Scenes. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Professions in scope for this activity are listed below.

Amedco Joint Accreditation Provider Number: 4008163

Physicians

Amedco LLC designates this live activity for a maximum of 11.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Surgery (ABS) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit. Max of 11.00 Accredited CE MOCs.

You must request your certificate within 45 days of the activity to meet the deadline for submission to PARS. Credits are generally reported during the first week of each month for those who claimed during the month prior.

Objectives - After Attending This Program You Should Be Able To

1. Identify appropriate methods to create aortic programs.
2. Recognize the different rescue techniques for aortic pathologies.
3. Determine what the current trial data reveals for treatment of CLTI.

4. Analyze strategies to treat patients with chronic limb threatening ischemia (CLTI).
5. Assess different strategies to treat lower extremity arterial ischemia.
6. Assess strategies to treat superficial venous disease.
7. Identify strategies to treat chronic venous obstruction.
8. Analyze the impact of training paradigms on vascular surgery.
9. Describe methods of anterior spine exposure.
10. Identify endovascular strategies to treat acute limb ischemia.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed below.
