Subject: NACFC 2026 Conference - Claim Credit Assistance

*Credit for Limited Livestreamed Sessions

Virtual attendees can claim up to **9.75 credits** for the pre-selected [virtual sessions identified on the NACFC 2026 website](#).

NACFC is the largest gathering of cystic fibrosis professionals in the world and provides superior continuing medical education and a multi-disciplinary approach to advancement of CF research, treatments, and care.

Target Audience

NACFC has been designed to meet the educational needs of physicians, research scientists, nurses, social workers, nutritionists, dietitians, physical therapists, respiratory therapists, pharmacists, psychologists, psychiatrists, research coordinators, geneticists, and other medical professionals involved in CF study and care.

Learning Goal/Purpose

The learning goal/purpose of this conference is to enable caregivers to receive the most current and up-to-date information on the diagnosis and management of cystic fibrosis and to learn strategies for improving outcomes for patients.

Desired Outcomes

- After completing this program, participants should be better able to:
- Discuss CF research protocols with their patients and families.
- Apply one or more quality improvement projects to their practice to improve patient outcomes.
- Employ strategies to improve patient and family adherence to treatment recommendations.
- Use infection control recommendations in their practice.
- Apply CF Foundation practice guidelines.

Statement of Need/Program Overview

This program has been designed to educate physicians and allied health professionals on recent advances in basic and clinical research related to CF and to discuss issues, problems, and new approaches to the diagnosis and clinical management of CF patients. The conference is directed toward physicians, other healthcare professionals, and researchers involved in the CF field. The portions of the meeting focused on research advances are intended to educate medical professionals on the general approaches used, interpretation of data, future research directions, and current and future impact on clinical practice. Clinically oriented sessions will encompass presentation/discussion of problems and issues, recent advances, and application to multidisciplinary management of patients and interactions with family members.

Accreditation Statements

In support of improving patient care, UVA Health Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

UVA Health Continuing Education designates this live activity for a maximum of 31.5 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

UVA Health Continuing Education awards up to 31.5 contact hour(s) for nurses who participate in this educational activity and complete the post activity evaluation.

Pharmacists*

UVA Health Continuing Education has been authorized by the Accreditation Council for Pharmacy Education (ACPE) to award ACPE credit for activities planned in accordance with ACPE Criteria. This knowledge-based activity is designated for 31.5 ACPE credit hours.

***DOB and NABP are required for reporting APCE credit**

Physician Associates

UVA Health Continuing Education has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 31.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Psychologists

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibly for the content of the programs. UVA Health Continuing Education designates this live activity for a maximum of 31.5 continuing education hours.

Social Workers

As a Jointly Accredited Organization, UVA Health Continuing Education is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 31.5 general continuing education credits.

Dietitians

Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs (One IPCE credit = One CPEU). If the activity is dietetics related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1 CPEU). RD's and DTRs are to select activity type 102 in their Activity Log. Performance Indicator selection is at the learner's discretion.

Commission on Dietetic Registration

the credentialing agency for the
eat right Academy of Nutrition and Dietetics

This activity was planned by and for the healthcare team, and learners will receive 31.5 Interprofessional Continuing Education (IPCE) credit for learning and change.

Hours of Participation

UVA Health Continuing Education awards 31.5 hours of participation (consistent with the designated number of AMA PRA Category 1 Credit(s)TM or ANCC contact hours) to a participant who successfully completes this educational activity. UVA Health Continuing Education maintains a record of participation for six (6) years.

UVA Health CE Policy on Disclosure of Financial Relationships

UVA Health Continuing Education as a Joint Accreditation Provider adhere to the **ACCME Standards for Integrity and Independence in Accredited Continuing Education**, as well as Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines.

All individuals involved in the development and delivery of content for an accredited CE activity are required to disclose relevant financial relationships with ineligible companies occurring within the past 24 months (such as grants or research support, employee, consultant, stockholder, member of speakers bureau, etc.). UVA Health Continuing Education employs appropriate mechanisms to resolve potential conflicts of interest and ensure the educational design reflects content validity, scientific rigor and balance for participants. Questions about specific strategies can be directed to UVA Health Continuing Education at uvacme@uvahealth.org.

Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices:

As a Joint Accreditation provider, UVA Health Continuing Education requires that all faculty presenters identify and disclose any off-label or experimental uses for pharmaceutical and medical device products. It is recommended that each clinician fully review all the available data on new products or procedures prior to clinical use.

Disclaimer Information: CE activities accredited by UVA Health Continuing Education are offered solely for educational purposes and do not constitute any form of certification of competency. Learners should always consult additional sources of information and exercise their best professional judgment before making clinical decisions of any kind. Learners are not authorized to copy, modify, reproduce, re-publish, sub-license, sell, upload, broadcast, post, transmit or distribute any of the course materials.
