# IMPORTANT INFORMATION

## ENTRY REQUIREMENTS TO CANADA

Official information about entry to Canada can be found on the Government of Canada [website](#). U.S. Passport holders do not need a visa to enter Canada.

The visa application process can take several months, so IAM encourages attendees to apply for visas as early as possible.

IAM is unable to contact Canadian embassies in support of an individual attempting to gain entry into Canada to attend the IAM Annual Meeting & Expo.

### VISAS

Not sure if you need a visa to visit Canada? Please visit the [Canada Immigration and Citizenship page](#).

For more VISA information, please visit the [Canada VISA page](#) on our website.

### IAM's guidelines for providing invitation letters are as follows:

- Invitation letters will only be issued to members who have registered for the full conference.
- The letter will be available in your confirmation email.
- If a visa is denied, IAM will refund according to our cancellation and refund policy.
- The invitation letter does not financially obligate IAM in any way. All expenses incurred in relation to the IAM Annual Meeting & Expo are the sole responsibility of the attendee.
- IAM is not authorized to assist with the visa process beyond providing an invitation letter.

### COVID-19 REQUIREMENT FOR AIR TRAVEL FROM CHINA, HONG KONG, AND MACAO

As of January 5, all air travelers, 2 years of age and older, arriving from the People's Republic of China, Hong Kong or Macao must show a negative COVID-19 test result, taken no more than 2 days before their departure, to the airline to board their flight. For more information and to stay up to date, please visit the Government of [Canada Travel and Testing page](#).

## TERMS & CONDITIONS

Member companies (**Participant**), by purchase of a booth or sponsorship, agree to abide by the following terms and conditions as managed by International Association of Movers/Meeting Management Services (**Organizer**):

- Eligibility:** Participant must be a member in good standing to purchase a booth or sponsorship and remain in good standing through the end of the Annual Meeting. At least one company representative must be registered as a full conference attendee.
- Company Listings:** Your company name and address must match your membership name and address. Alternate names and addresses are not allowed.
- Participant Code of Conduct:**
  - Personnel representing a Participating company shall be dressed for the professional environment of the Annual Conference. Participants dressed in an inappropriate manner may be ejected from the Annual Meeting or requested to modify their dress at the sole discretion of the Organizer.
  - Discrimination and Harassment: Participant agrees that any form of discrimination or harassment by company personnel based on a person's sex (including pregnancy), race, color, religion, national origin, disability, age, sexual orientation, veteran status, genetic information, or other status protected by law will not be tolerated at the Annual Meeting. Conduct that is discriminatory or offensive to a reasonable person is inappropriate at the Annual Meeting and violates this policy, even if it does not meet the legal definition of unlawful misconduct. Personnel in violation of this policy must leave the premises immediately, without a refund.
  - Personnel must always conduct themselves in a professional manner. Behavior, displays or demonstration that is in any way demeaning, threatening, coercing, and/or abusive, including profane language, or offensive gestures is prohibited. Personnel or displays in violation of this policy will be required to leave the premises immediately, and they along with their employer at the time of the violation may be prohibited from attending the Annual Meeting the following year. Organizer has sole discretion in determining what constitutes a violation of this section, and what sanction is taken.
  - Should Participant misrepresent any product or article displayed in a booth, Organizer may forthwith and without any liability whatsoever, terminate this contract for such booth and require the Participant to remove from the premises all its products, equipment, and furniture.
- Space Assignments:** Space will be considered on a first-come, first-served basis. The Organizer reserves the right to move spaces and organize final assignments as needed. Decisions regarding space are solely at the discretion of the Organizer.

Participant will forfeit space not occupied by the close of the installation period of 5pm - Sunday, October 8, 2023. The space may be resold or reassigned as designated by the Organizer. **Participant may not block the view of other Participants.** Participants items must remain within the assigned space. Participant must remain within their purchased space while distributing literature, product samples or other materials.
- Official Service Contractor:** To assure orderly and efficient installation, operation, and removal of the displays, and to minimize confusion by the presence or solicitation of unknown or unqualified firms, **Cross Connect and GES** have been selected as our official service contractors. **Both contractors** will send a service kit containing information on material handling, furnishings, electrical, signs, labor, booth cleaning, display rental, telephone, audio/visual, photography, computer rental, and recommended transportation carriers.
