NHIA's Expo

Join over 120 exhibitors in the lively exhibit hall featuring interactive demonstrations, receptions, exhibitor theatre, and the Sterile Compounding Clinic—all designed to maximize education and networking opportunities for attendees. The Expo is perfect vehicle for our sponsors to share information on the work they do in the industry, acquire new customers and build on existing relationships.

NHIA's Annual Conference is the premiere event for the rapidly growing home and alternate site infusion industry.

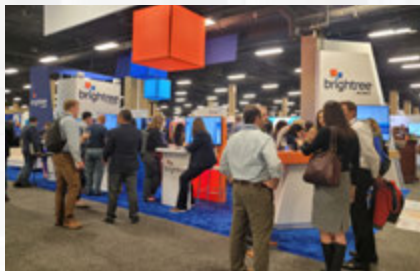

NHIA is the leading trade association that provides advocacy, education, and resources to the home and alternate site infusion community so the patients they serve can lead healthy, independent lives. NHIA advances the interests of these organizations and patients to ensure that home infusion is accessible to all. For additional information about NHIA, visit www.nhia.org/about-nhia/.

NHIA 2023 will bring together:

- Business owners, executives and seasoned industry professionals seeking the year's best networking and leadership education.
- Clinical pharmacists, technicians, infusion nurses, dietitians, reimbursement specialists, sales & marketing professionals, operations and support staff seeking to improve company operations and on-the-job knowledge across 6 learning tracks.
- Physicians and health system administrators seeking the latest information and trends in home infusion.
- Nurses, pharmacists and pharmacy technicians from outside the infusion industry looking to earn CE and expand their skill sets to discover new career opportunities.

We hope you'll join us and an expected 1,500 infusion professionals at the Gaylord National Resort & Convention Center outside Washington, DC at National Harbor.

Why Exhibit?

Access

An anticipated 1,500 home and specialty infusion professionals in one location!

Educate

Exhibitors have full conference access and can attend all educational sessions and networking events.

Network

Join discussions or host your own and interact with attendees at networking, education, and special events.

Influence

General Sessions cont.

General Session: DEIA & Leadership **SOLD** \$10,000

This new session was born out of a transformation of NHIA's Women in Leadership Luncheon. Recognizing women in leadership will still be a key theme, however we have now supercharged the session by opening up attendance across a full general session and broadening the scope to feature a diversity, equity, inclusion and accessibility (DEIA) keynote speaker as well as recognizing other outstanding achievements in the infusion industry.

Attendees will have an opportunity to network at a coffee and dessert break prior to the general session and then enjoy a special event designed to harness the power of DEIA, shining a light on important issues and opportunities as well as the diversity across our incredible community.

The event will honor the recipient of the National Home Infusion Foundation's Lynn Giglione Women in Leadership Award, which recognizes trailblazing women leaders who have demonstrated exemplary service to patients and their peers while promoting NHIF's mission.

The Outstanding Abstract Achievement Award winner will also be recognized along with additional industry recognitions.

Benefits Include:

- Logo and sponsorship acknowledgment on all marketing (website, onsite program, signage, and mobile app)
- 60 Second commercial to play before session beginning once placed on demand
- Brief Introduction of the speaker

Sterile Compounding Clinic

NHIA's Sterile Compounding Clinic program is a big draw and an enormous success each year! This interactive four-day program combines classroom learning sessions with hands-on, lab-based training in an onsite simulated sterile compounding lab to provide participants with the most current information and practices about sterile compounding standards and methods. The program utilizes industry experts to address critical aspects of sterile compounding. NHIA expects 100 participants in this separate clinic; each attendee will earn ACPE-approved CE.

Session 1 **SOLD** \$10,000

Aseptic Techniques and Environmental Monitoring

Attendees will rotate through a simulated lab environment staffed with qualified instructors to demonstrate hand hygiene and garbing, non-hazardous aseptic transfers, and media fill procedures and more. The lab offers a unique opportunity to work in several primary engineering controls, attendees can experience compounding with different techniques associated with compounding home infusion-specific dosage forms.

Session 2 **SOLD** \$10,000

Garbing & Personnel Testing

Attendees will rotate through a simulated lab environment staffed with qualified instructors to demonstrate hand hygiene, donning hazardous compounding garb, hazardous aseptic transfers, use of closed-system transfer devices, cleaning and disposal of hazardous materials, and more. The lab offers a unique opportunity to work in a biological safety cabinet so attendees can gain experience compounding in the vertical airflow environment.

Session 3 **SOLD** \$10,000

Parenteral Nutrition Compounding

Attendees will receive a combination of didactic and hands-on instruction related to the special considerations associated with compounding parenteral nutrition formulations. This workshop format utilizes real-time demonstrations using state of the art compounding equipment and supplies and is staffed with qualified instructors to demonstrate the use of equipment and procedures for compounding parenteral nutrition.

2023 CONFERENCE

Infusion Side Chats

\$3,000 for 1 day

\$5,000 for both days

Designed for informal discussions or a “Meet the Expert” style session, Infusion Side chats are the ideal forum to have in-depth discussions on topics of your choosing. These are excellent opportunities to have longer, comprehensive conversations with interested home infusions specialists.

You choose your desired speaker and specific content topic to optimize your marketing efforts. These Side Chats are located outside the exhibit hall in a meeting room; each session will be 60 minutes in length. You may use that time for your discussion and/or Q&A. Food and beverage is not included in the fee, but you are allowed to offer/order F&B for attendees.

Benefits Include:

- Meeting Room
- Ability to host an expert/moderator of your choosing
- Your custom session will be added to the official conference schedule. Title, session description, and speaker information will be featured on the website, onsite guide, and mobile app.
- Logo and sponsorship acknowledgment on all marketing materials (registration brochure, website, program planner, onsite program, signage, and mobile app)

NHIA Foundation Celebration

MARCH 25-29
NHIA
2023 CONFERENCE

NHIA 2023 Foundation Celebration

At this year's revamped NHIF reception, stand up and join us as we celebrate the invaluable research, leadership and innovation recognized by the Foundation throughout the year.

Attendees will experience an open bar with a flair, grabbing food and drinks while mingling in collective revelry for the outstanding work NHIF produces in support of the home and alternate site infusion industry.

The event will recognize the Foundation's industry benchmarking and data collection that helps to inform members and fuel research that advances the industry and patient care; Infusion Journal, the first peer-reviewed scholarly publication advancing knowledge specifically surrounding the administration of infused therapies with a particular focus on home and alternate site settings; the NHIA Fellow Program, which recognizes outstanding leadership and innovation within the industry community; and the Outstanding Abstract Achievement Award which provides scholarships and pathways to publication for independent researchers.

Showcase your support for these incredible initiatives and the individuals that help drive the industry forward by purchasing a block of tickets to this newly redesigned event!

Ticket Packages Available:

5 Ticket Package	\$550
10 Ticket Package	\$1,050
