

Specifications & Fees

Event Site

Receive freight shipments delivered directly to event site on installation day and deliver to the exhibitor's booth.

Remove, store, return empty containers, return materials, and reload for outbound shipment.

The straight time material-handling rate for direct shipments will be **\$128.00/cwt.**

POV Shipments

Otakorp and Shepard agree that POV unloading or reloading at event conclusion will not be allowed inside the halls and that POV unloading/reloading services will be billed to exhibitors at the following rates per round trip:

Class 1 Vehicles - \$112.50

Class 2 Vans (500 cubic feet or less) – 227.25

Class 1 Vehicles pulling trailers - \$310.75

Class 2 Vehicles (box trucks, sprinters & vans over 500 cubic feet - \$340.75

Union personnel designated for POV unloading is based on history provided by Otakorp, outlined below:

Thursday, 7/28 – (10) people; 9am – 7pm

Friday, 7/29 – (6) people; 8am – 11am

Sunday, 7/31 – (10) people; 3pm – 9pm

*** It is further understood that this POV policy change may result in delays at the dock as Shepard works with Otakon exhibitors for payment of services rendered. If deemed necessary & required by Otakorp, additional POV labor would be added & billed to Otakorp at the following rates: \$103.70/hr Straight-time; \$155.50/hr Overtime, and \$202.30/hour Double-Time*
