

Lead Retrieval

Updates for 2025!

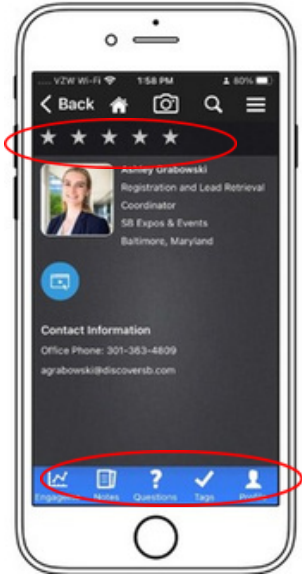

Developer Kit API is available for purchase!

We are pleased to offer a Developer Kit API for purchase within the SLAS2025 Exhibitor/Sponsor Portal. **Available at a rate of \$900 until December 13, 2024.**

New Lead Retrieval App!

Use the new app to access same great features like easy badge scanning, customized follow-up with tags and lead scoring, and seamless CRM integration for efficient lead management.

Note: For those who used lead retrieval at SLAS2024, please be aware that this year it will be accessed through a separate, standalone app rather than within the main event app.

How To Order

1. Log into the [SLAS2025 Exhibit & Sponsor Service Center](#)
2. Go to the Tasks section and select "LEAD RETRIEVAL: Purchase First License". Follow the prompts to purchase your initial license (credit cards only).

NOTE - For the Developer Kit API purchase, use the 'LEAD RETRIEVAL: Purchase Developer Kit API task.

IMPORTANT: You must purchase your first license (using the "Purchase First Lead Retrieval License" task) before you can purchase additional licenses in this task.

Each staff member using Lead Retrieval MUST have their own individual license. Licenses cannot be shared.

License Pricing	Until 12/9/2024	12/9/2024 - 1/20/2025	After 1/20/2025 and Onsite
