All raw space stand exhibitors must complete, submit and comply with the following requirements, **failure to complete and comply with the requirement may result in your exhibition stand builder being prevented access to Brussels Expo:**

Raw Space Stand Charter

Charter for the Raw Space Stand Exhibitors and their Stand Builder – deadline 15 May 2023

All raw space stand exhibitors must fill in the charter for the Exhibitors and their stand builder
It is necessary that you complete the charter for the Exhibitors and their Stand builder

<https://shop.expo.brussels/docs/Appendix%207%20-%20Charter%20for%20exhibitors%20v20190101.pdf>

Further information is available

<https://shop.expo.brussels/docs/04%20general%20information%20GB.pdf>.

The charter document must be returned, together with any risk assessment (s), to the safety coordinator at: bruexpo@vincotte.be. It should be provided before the start of the work and by **15 May 2023**.

Completion of this charter IS OBLIGATORY BY LAW.

All stand constructions are subject to regular approval by the Exhibition Logistics team

Responsibility for proper execution lies with the builder at all times.

Complex booths that involve work or elements listed below are subject to special prior written authorisation from Brussels Expo which, if authorisation is granted, reserves the right, at the organiser's expense but on prior production of detailed estimates, to entrust the following to a company of its choice and to supervise their execution itself:

- Work relating to heating appliances and smoke ducts
- Work relating to the roofing of buildings or requiring traffic on the roofs for this to be carried out
- Drilling into walls in the fixed construction elements of the halls
- Trenches for pipes
- Foundations intended to bear machinery and, more generally, all underground work.
- Thermal or combustion engines, lasers and other dangerous products
- Machines

*Please note that Brussels Expo and external parties will need to examine these complex booths. Deadline for plans and full description of complex booths is **28 March 2023**. If the required documents are handed in too late, an approval in time may not be possible.

**Documents submitted later than the periods stipulated above cannot always be reviewed in time. Therefore, approval might not be certain before the start of construction. This may result in dismantling, alterations or blocking the stand. The costs of the structure approval proceedings will be invoiced to the exhibitor.

Raw Space Stand Render Approval

Raw Space Stand Final Rendering to SLAS - deadline 15 May 2023

Exhibitors who have purchased a raw space stand, are informed that detailed stand drawings must be submitted for approval to sarah.durcan@advantagegroup.ie no later than **15 May 2023**.

Required information for submission:

- Booth size
- Booth height (single level only – height max. 5 meters)
- Views from the front and back of the booth
- Booth number

Dimensions must be in accordance with the stand space purchased and allocated on the floor plan - render stand single level stand height max 5m and should be free standing and built 1.2m from front power boxes against the walls to allow access.

Exhibitors are advised that the procedure for obtaining approval can take a considerable amount of time. Working drawings should therefore be submitted as soon as they are available

Public Liability Insurance Certificates

Public Liability Insurance Certificates - deadline 15 May 2023

All stand exhibitors and stand build contractors are required by law to have adequate Public Liability Insurance.

Please upload your documents to the exhibitor portal (Cadmium):

<https://www.conferenceharvester.com/harvester2expw/login.asp?EventKey=TTHKMAML&UserEmail=&UserPassword=&User=&BoothNumber=>

Insurance may be purchased through Rainprotection Insurance via exhibitor portal (Cadmium) as per above link.

Raw Space Stand Construction Guidelines

Fixtures & Covers

- Emergency exits and signs should always be kept clear. Also access to fire extinguishers should not be blocked.
- Stand constructors should respect the exhibition area decoration: no affixing to drapes, walls and windows.
- No fixings or painting are allowed on walls, doors, gates, outer walls and parking.
- No exhibitor may obstruct or allow his goods, decorative materials, furniture, etc. to obstruct or fill open passages and open spaces.
- The exhibition building, its doors, walls, furniture & the equipment therein must not be damaged (by nails, screws...).

Closed Rooms / Theatres / Black Boxes

Any stand incorporating closed rooms/theatres/black boxes with covered ceilings must include a vision panel or window and will be subject to approval on emergency lighting and exit width.

Please submit copies of the drawings/renders with dimensions as mentioned above and by the 28 March at the latest.

Back Walls

If you booked a raw space stand and are building a stand including walls, out of respect for the booths behind you, we are kindly requesting that you provide a clean and neutral back wall.

If ever your construction does not allow to do so, please order a shell scheme back wall sending an email to Sarah Schuer ssc@alterexpo.be

Complex structures

Double decker booth is prohibited at SLAS Europe 2023. Any questions regarding complex structures, please contact Sarah Durcan at sarah.durcan@advantagegroup.ie.

Features subject to statics inspections are:

- All overhead structures, such as portals and all structures suspended from – or affixed to – the ceiling, pre-installed suspension points etc., except for textile-based decorative features which do not pose threats to the physical wellbeing, life, and health of individuals – even if they fall.
- All structures (upper floors not permitted) with walkable stage constructions, except runways and stages constructed from pre-approved stage/platform elements proven to carry at least 5.0 kN/m², and system-compatible safety barriers, handrails, and bannisters up to a height of 0.8 m.
- Expo booth structures and crossbeam truss constructions built to a height of 4 metres or more.
- Free-standing columns and free-standing walls built to a height of 5 metres maximum.
- Custom-built structures, the construction of which is subject to the provision of all essential statics' information (as with items such as tensioned cable constructions, cable suspension bridges etc.)
- The authorities are entitled to conduct additional inspections if considered prudent.

All structures not subject to an obligation to be inspected must be erected and installed to guarantee requisite structural stability, operational safety and to comply with all the latest applicable technical stand Brussel Expo.

Inspection fundamentals:

Structures and their measurements are evaluated according to the most recent and legally enforceable version of **Norm EN13814 governing the safety of mobile constructions and build-ons for show venues and amusement parks**.

Procedure:

Depending on the size and complexity of the event in question, inspections may either be conducted in a single step – when all essential construction work has been completed, or in two steps – involving a walk-around inspection during construction, and a final inspection when all essential construction work has been completed. While conducting these walk-around inspections, the assessor must be given full access to all required construction plans, component approval documents, truss load tables, statics measurements, calculations for suspended loads, as well as the required static calculations for all constructions with upper floors and free-standing wall structures. Structures and their measurements are evaluated according to the specifications of the most recent, legally valid version of **Norm EN13814**.

Technical/stand building companies therefore need to have all the necessary documentation onsite and show them to the civil engineer upon request.

Exhibitors' Civil Liability

The exhibitor is liable for all damage caused to a third party, either by themselves, their personnel or by persons authorised to act on his behalf.

Compliance with Country Regulations

All structures, materials, special designs, unusual constructions, and all signs shall conform to Belgium safety standards and codes of practice and comply with all relevant statutory authority regulations.

Any display work or materials contravening this clause must be modified to meet requirements.

Security and Emergency Procedures

Safety & Access Control

All gangways should be maintained and there should be a clear route provided to all Fire Exits.

- Fixed structures, exhibition counters, display cases, cages and the like must be set up in such a manner that they cannot be knocked over, and that there are unobstructed evacuation routes at least 2.5m wide to the exits.
- Glass panels must be protected against breakage.

Emergency Procedures

In an emergency situation, please follow the directions given by BRUSSEL EXPO.

Security

SLAS and facility organisers expressly disclaim responsibility for any loss or damage to property of any exhibitor from any cause. To help ensure good security at the show, please follow these points:

- Make one member of your team responsible for your company's safety and security at the exhibition.
- Do not leave cash, handbags/wallets, mobile phones, laptops, clothing, valuables etc. in unlocked drawers, cupboards or on exhibition stands unattended.
- Check all lockable desks and cupboards are locked before leaving your stand.

Please note that build up and breakdown days are high risk periods. You are recommended to work in pairs so that the stand is always manned. Make sure you arrive prior to the official opening time and do not leave your stand at night before the hall is clear of visitors.

Fire Protection

No flammable decorations or exposed flames may be used at any time.

- All carpet and decoration materials of paper and flammable fabric must be made fireproof and will be asked on site.
- Storage paint, liquids, gas or other flammable substances in the booth space is forbidden.
- Any heavy amount of paper, or any other flammable products, should be regularly disposed.
- The display or use of burning, red hot, combustible, explosive, or flammable materials is prohibited.

Terms and Conditions

Each exhibitor is responsible for agreeing to the terms and conditions for this event at the time of booking. All onsite staff must adhere to these terms and conditions.

I, the undersigned, desire to participate in the Society for Laboratory Automation and Screening's ("SLAS") SLAS Europe 2023 Conference and Exhibition ("Event") In exchange for being permitted to participate in and enjoy the benefits of the Event, I acknowledge and agree to the following:

1. PAYMENT OF SPACE

Applications received must be accompanied by a non-refundable deposit in the amount of 30% of the total space rental charges (not including VAT). Deposits are due 21 November 2022. Applications received without such payment will not be processed nor will space assignment be made. The balance of the space rental charge will become due and payable on 16 January 2023.

Applications submitted after 16 January 2023 must be accompanied by payment IN FULL of the space rental charges. Applications received without such payment will not be processed nor will space assignment be made

2. CANCELLATION AND REFUNDS

All cancellations of space must be received in writing. If space is reduced, the net reduction of space will be treated as a cancellation of that space. If SLAS receives a written request for cancellation of space prior to 16 January 2023 the exhibitor will be liable for 30% of the total space rental charges. No refunds will be made after 16 January 2023.

No-shows will be treated as cancellations and the exhibiting company will lose all accumulated points toward the following year's space assignments.

It is expressly agreed by the exhibitor that in the event they fail to pay the space rental at the times specified or fail to comply with any other provisions contained in these rules and regulations concerning their use of exhibit space, SLAS shall have the right to reassign the confirmed booth location or to take possession of said space and lease same, or any part thereof, to such parties and upon such terms and conditions as it may deem proper. In the event of a default by the exhibitor, as set forth in the previous sentence, the exhibitor shall forfeit as liquidated damages, the amount paid by him for his space reservation, regardless of whether or not Show Management enters into a further lease for the space involved.

In case the exposition shall not be held for any reason whatsoever, then and there upon the rental and lease of space to the exhibitor shall be terminated. In such case the limit claim for damage and/or compensation by the exhibitor shall be the return to the exhibitor of the pro rata amount already paid for space for this specific event.

Sponsorships: Full payment is due at time of reservation.

3. SPACE RENTAL

Whenever possible, space assignments will be made by SLAS in keeping with the preferences as to location requested by the exhibitor. Priority Points will be utilized to determine space selection.

SLAS, HOWEVER, RESERVES THE RIGHT TO MAKE THE FINAL DETERMINATION OF ALL SPACE ASSIGNMENTS IN THE BEST INTERESTS OF THE EXHIBITION.

4. USE OF SPACE, SUBLETTING OF SPACE

No exhibitor shall assign, sublet or share the space allotted with another business or firm unless approval has been obtained in writing by SLAS. Exhibitors are not permitted to feature names or advertisements of non-

exhibiting manufacturers, distributors or agents in the exhibitor's display, parent or subsidiary companies excepted.

Exhibitors must show only goods manufactured or dealt in by them in the regular course of business. Should an article of non-exhibiting firm be required for operation or demonstration in an exhibitor's display, identification of such article shall be limited to the usual and regular nameplate, imprint or trademark under which same is sold in the general course of business. No firm or organization not assigned exhibit space will be permitted to solicit business within the Exhibit Areas.

5. SAFE MEETING GUIDELINES

SLAS will adhere to and publish safe Event guidelines developed in conjunction with the Event facility and applicable governing bodies. By registering for this Event, participants agree to abide by the guidelines in place at the time of the live Event. Safety guidelines will be communicated to registrants via email and the Event website in advance of arrival at the Event facility.

6. EXHIBITORS AUTHORIZED REPRESENTATIVE

Each exhibitor must name one person to be his representative in connection with installation, operation and removal of the firm's exhibit. Such representative shall be authorized to enter into such service contracts as may be necessary and for which the exhibitor shall be responsible. The exhibitor shall assume responsibility for such representative being in attendance throughout all exposition periods and this representative shall be responsible for keeping the exhibit neat, manned and orderly at all times. For their own safety and protection, persons under the age of eighteen (18) may not staff the booth or assist in the move-in and/or move-out of any exhibit.

7. INSTALLATION AND REMOVAL

SLAS reserves the right to fix the time for the installation of a booth prior to the Show opening and for its removal after the conclusion of the Show. Any space not claimed and occupied by two (2) hours prior to the published Show opening time may be resold or reassigned without refund. Installation of all exhibits must be fully completed by the opening time of the exposition.

Exhibits must be staffed during all Show hours and may not, to any extent, be dismantled before the official Show closing. Any early dismantling or packing shall be considered a breach of this agreement and may affect future applications.

8. ARRANGEMENT OF EXHIBITS

Each exhibitor is provided an Official Exhibitor Kit. The Exhibitor Kit describes the type and arrangement of exhibit space and the standard equipment provided by SLAS for booth construction. All booth space must be arranged and constructed in accordance with the guidelines, provisions and limitations contained in the Exhibitor Kit. If, in the sole opinion of SLAS, any exhibit fails to conform to the Exhibitor Kit guidelines, or the provisions set forth herein, such exhibit will be prohibited from functioning at any time during the exposition. Exhibits not conforming may be dismantled or modified, at cost to the exhibitor, at the sole judgment and discretion of SLAS.

Island booths maximum height restriction is 5 meters. SLAS does not allow end cap booths (booths comprised of or encompassing a 3x6 meter space exposed to aisle on three sides). Sufficient area must be provided within the exhibit space for the comfort and safety of persons watching demonstrations and other promotional activities.

For specific guidelines at the Brussels Expo, please review their current event guidelines. Per SLAS design guidelines, every RAW (space only) booth MUST submit their booth rendering before the show. For (RAW) space only booths, you must purchase or bring carpet/flooring.

Exhibitor Plan Review. Booth construction plans and layout arrangements for island booth spaces, or involving other unusual construction features, must be submitted for approval at least sixty (60) days prior to the opening of the exposition.

9. EXHIBITS AND PUBLIC POLICY

Each exhibitor is charged with knowledge of all local laws, ordinances and regulations pertaining to health, fire prevention and public safety, while participating in this exposition. Compliance with such laws is mandatory for all exhibitors and the sole responsibility is that of the exhibitor. No part of the building shall be defaced in any manner, nor shall signs or other articles be posted, nailed, taped or otherwise affixed to any pillars, doors, walls or other parts of the building. Any and all damages, losses, expenses and/or costs resulting from failure to observe this notice shall be payable by the exhibitor.

The exhibitor must, at his expense, maintain and keep in good order his exhibit and the space for which he has contracted.

SLAS and service contractors have no responsibility pertaining to the compliance with laws as to public policy as far as individual exhibitor's space, materials and operation is concerned. Should an exhibitor have any questions as to the application of such laws, ordinances and regulations to his exhibit or display, SLAS will endeavor to answer them.

Exhibitors must comply with all local fire regulations and guidelines. All booth decorations including carpeting must be flame-proofed and all hangings must clear the floor. All exits, hallways, aisles and fire control apparatus must remain clear and unobstructed at all times. Electrical equipment and wiring must conform with National Electrical Code Safety Rules. Use of butane or bottled gas is not permitted. Use of propane and hazardous materials is prohibited. Use of balloons is prohibited.

Independent contractors must conform to regulatory guidelines and must be signatory to a current local collective bargaining agreement.

10. STORAGE OF PACKING CRATES AND BOXES

Unattended freight in any display space as of one hour prior to Show opening will be removed and stored at the exhibitor's sole risk and expense.

Exhibitors will not be permitted to store packing crates and boxes in their booths during the exhibit period; but these, when properly marked, will be stored and returned to the booth by service contractors. It is the exhibitor's responsibility to mark and identify his crates. Crates not properly marked or identified may be destroyed. SLAS assumes no responsibility for the contents of crates or boxes improperly labeled as "empty."

The removal and return of large crates that cannot be handled by hand trucks will be charged for at prevailing rates. Crates, boxes or other exhibit materials unclaimed by the exhibitor after the Show will be removed at the exhibitor's expense. Exhibitors will be billed by the service contractor for removal time and materials at prevailing rates. Neither SLAS, the service contractor nor the exhibit facility shall assume any liability whatsoever for loss or damage.

All material must be packed and ready for shipment according to the dismantle timings in the Exhibitor Service Kit. Any material not called for by said time and date will be shipped at the exhibitor's expense, by a carrier selected by the official drayage contractor. No one under the age of 18 will be permitted on the exhibit floor during installation and dismantle hours.

11. SOCIAL ACTIVITIES

Any social function or special event planned by an exhibiting company to take place during the Event must be pre-approved by SLAS. Exhibitor agrees to withhold sponsoring hospitality suites/rooms or other functions during official conference and exposition activities, including exhibit hours, social functions, educational seminars, and any other related activities scheduled by SLAS. Distribution of exhibitor materials is not permitted to attendee sleeping room doors, SLAS meeting rooms or anywhere else in the hotel and/or exhibit facility except in the specified booth space.

12. OPERATION OF EXHIBITS

SLAS reserves the right to restrict the operation of, or evict completely, any exhibit, which in its sole opinion, detracts from the general character of the exposition as a whole. This includes, but is not limited to, an exhibit which, because of noise, flashing lights, method of operation, display of unsuitable material, is determined by SLAS to be objectionable to the successful conduct of the exposition as a whole. Use of so-called “barkers” or “pitchmen” is strictly prohibited.

All demonstrations or other promotional activities must be confined to the limits of the exhibit space. Sufficient space must be provided within the exhibit space for the comfort and safety of persons watching demonstrations and other promotional activities. Each exhibitor is responsible for keeping the aisles near its exhibit space free of congestion caused by demonstrations or other promotions.

Alcoholic Beverages. Exhibitors may not serve alcoholic beverages in the exhibit hall unless approved by SLAS.

Direct Sales. No sales are permitted within the exhibit area at any time, but orders may be taken for future delivery.

Contests, Drawings and Lotteries: All unusual promotional activities must be approved in writing by SLAS no later than 60 days prior to the opening of the exposition.

Literature Distribution. All demonstrations or other activities must be confined to the limits of the exhibitor’s booth. Distribution of circulars may be made only within the space assigned to the exhibitor distributing such materials. No advertising circulars, catalogues, folders or devices shall be distributed by exhibitors in the aisles, meeting rooms, registration areas, lounges or grounds of the host facility. Trade publishers are prohibited from soliciting advertising during the Show. Trade publications may be distributed from their booth, but automatic distribution is prohibited.

Copyright Licensing. Exhibitor is solely responsible for obtaining any required licenses to broadcast, perform, or display any copyrighted materials including but not limited to music, video, and software. Exhibitor shall indemnify and hold harmless SLAS and facility against cost, expense or liability which may be incident to, arise out of or be caused by Exhibitor's failure to obtain requisite license.

Sound. Exhibits which include the operation of musical instruments, radios, sound projection equipment or any noise making machines must be conducted or arranged so that the noise resulting from the demonstration will not annoy or disturb adjacent exhibitors and their patrons, nor cause the aisles to be blocked. Operators of noisemaking exhibits must secure approval of operating methods before the exhibit opens. SLAS shall be the sole judge of what constitutes appropriate sound levels.

Live Animals. Live animals are prohibited.

Balloons. At no time are exhibitors allowed to bring helium balloons into the facility. Helium tanks cannot be brought into the facility. All air and gasses must be ordered through your Event Services Manager.

Candles. Candles are permitted for dining setting for the ballroom and exhibit halls so long as the flame from the candle does not exceed the height of the required fire safe enclosure. All candles and required encasements to be used must be approved by SLAS.

Weapon Policy. Weapons of any type, functional or non-functional, such as firearms, swords, knives, throwing knives, crossbows, stars, bows, boomerangs, darts, tazers, etc. are strictly prohibited within facilities, and they may not be used or displayed at scheduled events. The facility strictly prohibits all persons from carrying a handgun, firearm, or prohibited weapon of any kind while on property or within the facility, regardless of whether the person is licensed to carry a handgun. This policy applies to all employees, contractors, temporary employees, clients, visitors and guests. Only on-duty law enforcement agents, who have been given prior authorization by the facility and SLAS to carry a weapon on the property, will be permitted to carry firearms.

Replica weapons are allowed but require express written authorization for the use and/or possession by the facility. Replica weapons must only be used as props or display and will be allowed if the replica weapon is inspected, approved and peace bonded by the Chief of Public Safety prior to entry into the facility. The facility reserves the right in its sole discretion to revoke the use of replica weapons within.

Booth Representatives. Booth representatives, including models or demonstrators, must be properly registered and wear badges. Spouses are invited to visit the exhibit hall only with appropriate credentials. Booth representatives are prohibited from entry into another exhibitor's booth without permission of that exhibitor and from photographing or examining another exhibitor's booth without permission from that exhibitor.

Irregular Activities. All giveaway items must be submitted for approval to Show Management three (3) weeks prior to the opening of the exposition. All exhibitors distributing approved "stick-ons" may not place the "stick-ons" on the attendees' badges.

Robot Demonstrations. Exhibitors must adhere to rules and regulations set forth by SLAS. Click here to view the [Robot Safety Policy](#).

Bell Persons/Couriers. Neither bell persons from surrounding hotels nor couriers are allowed in the building or on the show floor. Deliveries must arrive at the loading dock area, to be moved by contract laborers or received by contract laborers at the doors.

Distribution of Flyers. The distribution of flyers is prohibited in all Brussels Expo public areas. Additionally, adhesive-backed decals may not be given away or utilized. Any costs incurred by the Brussels Expo for the removal of these items will be charged to the Licensee.

Hand-Carry Policy. The Brussels Expo reserves the right to restrict all freight and package deliveries to the loading dock. Brussels Expo Safety personnel will be on site to direct and assist exhibitors during move-in and move-out. For the convenience and safety of exhibitors and patrons, all freight and material handling must enter and exit the facility through the loading dock. The Licensee and its exhibitors will be allowed to hand-carry one item, one time, in or out of the facility without having to access the loading dock. (Hand-carried freight is defined as one item that can be easily carried by an individual, without the need for dollies or other mechanized equipment.) The General Service Contractor must provide the approved Hand-Carry Policy signs and post them at all entrances to the exhibit halls during the exhibitor move-in, and no less than two (2) hours before the exhibit hall closes on the last exhibit hall date until move-out ends.

No parking is allowed at the entrance of the facility; and the use of passenger elevators for movement of freight is not allowed. All packages are subject to inspection by facility personnel. This policy is strictly enforced at all facility access points.

Material Handling. Exhibitors are allowed to perform their own material handling, providing all of the following criteria are met: Exhibit personnel performing the work must be bona fide, full-time employees (“authorized personnel”) of said company. The Licensee may choose to off-load from a company-owned box-truck or rental vehicle, or from a car, van or truck by personnel of the company, provided the vehicle is 24 feet or less in length. Exhibitors may use only hand-operated equipment, which they have provided; two-wheeled hand trucks and four-wheeled flat trucks are permitted as well. At no time can vendors (A/V, furniture design firm, etc.) unload their items. An approved General Service Contractor (GSC) or the Exclusive Rigging Service Provider (ERSP) must be hired by the Licensee to unload/re-load and push in all vendors.

Glitter, Confetti, Popcorn & other Materials. The use of glitter, confetti, sand, or simulated snow types of material, as well as popcorn, is not permitted. Popcorn is not permitted without prior written approval from the Brussels Expo. Additional cleaning charges may apply.

Hazer/Fogger Equipment. The Brussels Expo must approve the use of a hazer/fogger or similar equipment. Use is limited to event-related activities. Authorized areas are the ballroom(s), and exhibit hall(s) utilized for general sessions and special events. The use of hazer/fogger equipment by an individual within the exhibit hall display area or meeting rooms is prohibited.

The use of hazer/fogger equipment requires a permit from the local fire department. A fire fighter detail is required for rehearsal time as well as the event wherever the hazer/ fogger equipment is utilized. The number of fire fighters on detail is determined by the Brussels Expo in conjunction with the local fire department. It is the responsibility of the Licensee to obtain the necessary permits through the fire marshal’s office at the local fire department.

Approved use of hazer/fogger equipment will incur a charge from the Brussels Expo to turn on/off fire detection systems.

13. TRADEMARKS

SLAS will be held harmless for any trademark, trade name, copyright or patent infringement on any printed materials belonging to or distributed by any exhibitor. Use of the venue logo, design, trademark, trade name, patent, copyrighted work or symbol must be approved in writing by the venue marketing department. No exhibitor may use SLAS’s name or logo(s) without the written consent of SLAS.

14. PHOTOGRAPHING & FILMING OF EXHIBITS

Each exhibitor has control over the space it has rented and may prevent those considered its competitors from gaining access to, photographing, or videotaping its exhibit. The taking of pictures, other than by the official photographer/videographer, is expressly prohibited during setup, dismantling and non-exhibit hours. The exhibitor may grant permission to have its exhibit photographed, videotaped, or an audio presentation taped, during exhibit hours. No exhibitor shall deny any reasonable request from Show Management or the official photographer/videographer to photograph or film the exhibit from outside the perimeter of the booth.

15. LIST PUBLICATION

The list of SLAS Europe exhibitors, in whole or in part, shall not be published other than in SLAS official publications.

16. SPONSORED CONTENT

The purpose of a Sponsored Educational Event is to further the knowledge of meeting attendees through product and service displays, education, and demonstrations. The speaker agreement is solely between the sponsoring company and the speaker. SLAS will take no responsibility for the content, instead relying on you, the sponsoring company, to oversee the appropriate material. You warrant that the content and all supporting material will not contain anything illegal, defamatory, or indecent or infringes on any third parties' statutory or common law right, including any intellectual property rights. Products or services exhibited must be pertinent to the attendees' professional interest. Show management reserves the right to request the immediate withdrawal of any presentation that SLAS believes to be injurious to the purpose of SLAS Europe.

17. LIABILITY AND INSURANCE

All property of the exhibitor remains under his custody and control in transit to and from the exhibit hall and while it is in the confines of the exhibit hall. Neither SLAS, its service contractors, the management of the exhibit hall nor any of the officers, staff members or directors of any of the same are responsible for the safety of the property of exhibitors from theft, damage by fire, accident, vandalism or other causes, and the exhibitor expressly waives and releases any claim or demand he may have against any of them by reason of any damage to or loss of any property of the exhibitor.

It is required that Exhibitors obtain adequate insurance coverage, at their own expense, for property loss or damage and liability for personal injury and include SLAS as an additional insured party. Proof of insurance must be submitted to SLAS, and if requested to SLAS prior to setup of booth space at SLAS 2023 Europe. Insurance may be purchased through Rainprotection Insurance via exhibitor portal (Cadmium)
<https://www.conferenceharvester.com/harvester2expw/login.asp?EventKey=TTHKMAML&UserEmail=&UserPassword=&User=&BoothNumber=>

Each exhibitor shall be responsible for securing and maintaining the following insurance coverages at the exhibitor's expense: (a) Workman's compensation insurance coverage for exhibitor's employees which shall be in compliance with the local laws. (b) Commercial general liability insurance with policy limits of \$1,000,000 for combined single limit coverage to include: comprehensive form, premises/operations, contractual, broad form property damage and products/completed operations, providing for terms of coverage to be effective from on or before May 23-26, 2023, which shall include exhibitor's move in and move out. Such insurance shall cover any and all damage or injury to any and all persons arising out of such person's attendance at the exhibitor's exhibit during the term of SLAS Europe 2023. (c) Other insurance: Each exhibitor acknowledges that it is responsible for obtaining any additional insurance coverage solely at its own expense, in such amounts as it deems appropriate to comply with its obligations hereunder and for its own protection.

18. CONTRACTOR SERVICES

An official contractor will provide all services in the exhibit area. Complete information, instructions and schedule of prices regarding shipping, drayage, labor for installation and dismantling, electrical service, furniture, etc., will be included in the Exhibitor Services Kit to be forwarded electronically. Under no circumstances will SLAS or the venue assume responsibility for loss or damage to goods consigned to the official contractor. Advance shipments of exhibit material must be made to official contractor as specified in the Exhibitor Services Kit. Should any shipments not be made as specified in the manual, it will be removed by

the official contractor and stored until the hall is ready to accept materials for the exhibition and all costs involved will be charged to exhibiting company. Exhibitors are responsible for all information provided in the Exhibitor Services Kit.

19. LABOR

Rules and regulations for union labor are made by the local unions and may change at any time. Where union labor is required because of building or contractor requirements, it will be necessary for the exhibitor to comply with these regulations. Information regarding specific regulations that are applicable may be obtained from the official contractor. Displays, painters, carpenters, electricians, and other skilled labor can be arranged through the official contractor at established rates. Labor order forms will be included in the Exhibitor Services Kit.

20. INDEMNIFICATION

Exhibitor agrees that it will defend, indemnify and hold and save the Society for Laboratory Automation and Screening (SLAS), and their respective directors, officers, members, employees, agents, volunteers and other representatives, (collectively "Indemnified Parties") whole and harmless of, from and against all claims, demands, actions, damages, loss, cost, liabilities, expenses and judgments recovered from or averted against the Indemnified Parties on account of injury or damage to person or property to the extent that any such damage or injury may be incident to, arise out of, or be caused, either proximately or remotely, wholly or in part, by an act, omission negligence or misconduct on the part of Exhibitor or any of its agents, servants, employees, contractors, patrons, guests, licensees or invitees or of any other person entering upon the Premises leased hereunder with the express or implied invitation or permission of Exhibitor, or when any such injury or damage is the result, proximate or remote, of the violation by Exhibitor or any of its agents, servants, employees, contractors, patrons, guests, licensees or invitees of any law, ordinance or governmental order of any kind, or when any such injury or damage may in any other way arise from or out of the occupancy or use by Exhibitor its agents, servants, employees, contractors, patrons, guests, licensees or invitees of the Premises leased hereunder.

Such indemnification of the Indemnified Parties by Exhibitor shall be effective unless such damage or injury may result from the sole negligence, gross negligence, or wilful misconduct of Show Management. Exhibitor covenants and agrees that in case any of the Indemnified Parties shall be made a party to any litigation commenced by or against Exhibitor or relating to this lease or the Premises leased hereunder, then Exhibitor shall and will pay all costs and expenses, including reasonable attorneys' fees and court costs, incurred by or imposed upon the Indemnified Parties by virtue of any such litigation.

Property Damage. Show Management nor Exhibitor shall be responsible for any loss of or damage to property of the other party hereto, including, but not limited to, loss or damage occasioned by theft, fire, smoke, acts of God, public enemy, riot, civil commotion or other insurable casualty, and Show Management and Exhibitor expressly waive any claim for liability against the other party hereto with respect to any such loss or damage. In the event that such occurrence results in cancellation of the exposition, each party hereby releases the other from obligations under this contract. Accordingly, it shall be the responsibility of Show Management and Exhibitor, respectively, to secure its own insurance or otherwise protect itself and its property against such loss or damage.

Use of Certain Property. Exhibitor will assume all costs arising from the use of patented, trademarked, or franchised materials, devices, processes, or dramatic rights used on or incorporated in the exhibitor's space. Exhibitor shall indemnify, defend, and hold harmless SLAS, Show Management, the City and their officers, directors, members, agents, and employees from and against all claims, demands, suits, liability, damages, losses, costs, attorneys' fees and expenses of whatever kind or nature, which might result from or arise out of use of any such material(s) described above.

21. WAIVER

Show Management shall not be deemed to waive any of its rights hereunder unless such waiver is explicitly stated as a waiver in writing and signed by Show Management. No delay or omission by Show Management in exercising any of its rights shall operate as a waiver of such rights and a waiver of rights in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

22. ATTORNEYS' FEES

Should Show Management find it necessary to employ an attorney or attorneys to enforce any of the provisions of this agreement or to protect in any manner its interest or interests under this agreement, Show Management, if it is the prevailing party, shall be entitled to recover from the other party all reasonable costs, charges, and expenses including attorneys' fees.

23. STATEMENT OF CONDUCT

SLAS has adopted the following Statement of Conduct. By agreeing to the terms and conditions within Event registration, you are agreeing to abide by this Statement of Conduct. SLAS reserves the right to remove a non-compliant participant from the Event without refund.

24. EVENT CANCELLATION

SLAS reserves the right to cancel this Event due to circumstances beyond the control of the organization. In the Event of cancellation, SLAS will do its best to make attendees aware of the cancellation in a timely fashion. Refunds of exhibition fees are not guaranteed in these circumstances, but SLAS will make every effort to refund fees less expense incurred by SLAS at the time of cancellation.

25. PRIVACY POLICY

26. OTHER REGULATIONS

Any and all matters not specifically covered by the preceding rules and regulations shall be subject solely to the decision of Show Management.

THE SHOW MANAGEMENT SHALL HAVE FULL POWER TO INTERPRET, AMEND, AND ENFORCE THESE RULES AND REGULATIONS, PROVIDED EXHIBITORS RECEIVE NOTICE OF ANY AMENDMENTS WHEN MADE. EACH EXHIBITOR AND ITS EMPLOYEES AGREES TO ABIDE BY THE FOREGOING RULES AND REGULATIONS AND BY ANY AMENDMENTS OR ADDITIONS THERETO IN CONFORMANCE WITH THE PRECEDING SENTENCE. EXHIBITORS OR THEIR REPRESENTATIVES WHO FAIL TO OBSERVE THESE CONDITIONS OF CONTRACT OR WHO, IN THE OPINION OF SHOW MANAGEMENT, CONDUCT THEMSELVES UNETHICALLY MAY IMMEDIATELY BE DISMISSED FROM THE EXHIBIT AREA WITHOUT REFUND OR OTHER APPEAL.
