slas europe 2027 Conference & Exhibition

Bridging Science + Solutions

Hamburg, Germany • 25-27 May 2027

Lead Retrieval Licenses & Developer Kit API Key Available!

Choose the option that best fits your needs.
Capture, manage, and access lead data throughout the event.

License Features include:

- Custom qualifiers, tags, and notes fields (included at no additional charge!)
- Real-time lead access
- Reports available through your lead capture portal

New for SLAS Europe 2027!

Lead Retrieval will be available through the EventScribe Lead Capture app. Exhibitor staff using Lead Retrieval must download the app to scan leads onsite.

How To Purchase

Log into the SLAS Europe 2027 Exhibitor/Sponsor Portal.
Go to the Tasks section and select "Lead Capture: Managing and Purchasing."
Follow the prompts to access the Lead Capture Dashboard.
From there, choose Purchase License (or select Switch to Developer Kit to purchase that option).
Each staff member using Lead Retrieval MUST have their own individual license. Licenses cannot be shared.
